- ✓ **Step 1:** In your myBlueprint account, go to [Home > Portfolios](#) and create a new portfolio titled "Future Now Expo."
- ✓ **Step 2:** Walk around the career fair and choose one booth to explore and learn about occupations featured.
- ✓ **Step 3:** Have a conversation with the person at the booth. Ask questions such as:
 - *What skills or experiences are most valuable in this career path?"*
 - *"What do you enjoy most about your job, and what's the biggest challenge?"*Take notes! 📝
- ✓ **Step 4:** Add a journal entry to your portfolio sharing what you learned.
 - 📝 You can write your reflection or record a video/audio to capture your thoughts!
 - Bonus:** Take a picture with the person/booth you visited and add this to your Portfolio!
- ✓ **Step 5:** In your myBlueprint account, go to [Work > Occupations](#) to search for the career you just explored.
 - ✓ Add it to your portfolio.
 - In the Requirements tab, explore related post-secondary programs.
 - 🎓 Like what you see? Add those programs to your portfolio too!
- ✓ **Step 6:** At the end of the day, take a moment to reflect. Add your thoughts to your journal using these prompts:
 - *One thing I learned today that I didn't know before is...*
 - *I was most interested in... because it connects to my interests in...*
 - *This experience made me realize...*
- ✓ **Step 7:** Under [Home > Goals](#) create a goal based on what you learned today. This could be a skill you'd like to develop from a career you explored.

For Parents, Family, and Caregivers

myBlueprint provides students with personalized tools to explore their academic and career pathways, from high school to post-secondary. With access to a comprehensive, up-to-date database of all Canadian post-secondary programs, students can make informed decisions that align with their unique goals and aspirations.

Families and caregivers are an integral part of this journey. With easy-to-create linked accounts, you can actively engage in your student's planning process, ensuring that pathway decisions are connected, informed, and supported every step of the way.
